Basic T's & C's for all Coastal Breeze Radio Connected Artists

Whilst we appreciate that not every artist has the time to be an active part of the Connected Artists chart, to constantly promote due to their algorithms, or to be tuned in 24/7, we do have minimum terms that come with being part of Coastal Breeze Radio:-

1. Wherever possible, we ask that artists follow us on ALL shared socials (eg. Facebook, Instagram & TikTok) and like, comment, share as and where possible.
2. Artists are expected to remain in contact where possible, either via email or socials so we know they wish to remain a part of Coastal Breeze Radio, and more importantly, wish to remain a Connected Artist.
3. We would appreciate it if Artists kept us posted on new material and shared this with us via email in mp3 format with art (we appreciate for some artists this is easily forgotten, but we want to share your most recent work as well as older stuff!)
4. Artists are asked to let us know if they wish to be part of the chart. We DO NOT routinely add to the chart without the artist firstly stating their interest.

If you do NOT wish to be part of the Connected Artists chart, that is fine, but ALL artists are reminded that they are allowed a track in the chart. Full terms and conditions can be found at: https://coastalbreeze.co.uk/the-connected-artists-chart

We hope these basic rules are to everyone's liking and we hope this drives our engagement as well as yours! – thankyou for being part of Coastal Breeze Radio!

Our socials:-

Facebook - https://www.facebook.com/coastalbreezeradio
Instagram - https://www.instagram.com/coastalbreezeradio/
TikTok - https://www.tiktok.com/@coastalbreezeradio

(We can also be found on threads, X & BlueSky, but these are the main ones in terms of engagement)

Whilst we don't wish to lose any of you, constant failure to adhere to these basic T's & C's without just cause may lead to removal as a Connected Artist.
